**A deputy registrar is PROHIBITED from electioneering.**

- **Electioneering** is activity expressing support for, or opposition to, candidates for public offices, referenda, or other questions of public policy. It includes wearing candidate, party or cause-related buttons, displaying posters or literature, verbal statements, and distributing such buttons, posters, or literature.
A deputy registrar may accept registrations at any time other than the 27 day period preceding an election. (10 ILCS 5/5 – 16.2)

A deputy registrar or organization coordinator must return completed registration cards to a Cook County Clerk’s office or the nearest township office within seven days of the registration card being signed. Helpful Tips: Being an Effective Deputy Registrar

› Remember to print your Deputy Registrar Identification Number on the top of each audit sheet submitted.

› Nobody knows you’re a deputy registrar unless you tell them.
  ➤ Most people will not register to vote unless they’re asked.

› Call a few friends tonight while what you’ve learned is fresh in your mind.

› Ask if they and others in their household are registered at their current address.
  ➤ If not, make an appointment to drop by and sign them up.
  ➤ Tomorrow at work, do the same.
    ➤ You may be surprised to find that many of them haven’t taken care of this basic responsibility of citizenship.

› When registering people in a public place, here are some important tips to remember:
  ➤ Always look people in the eye and quickly ask, “Are you registered to vote at your current address?”
    ➤ Eye contact is essential because people in public places automatically screen out strangers, including silent ones sitting at registrar tables.
    ➤ If you don’t speak up, they will pass you by.
  ➤ Check with your church, your workplace and/or any union, community or civic organization to which you belong.
    ➤ Any meeting, picnic or lunch break could be a registration opportunity. Take advantage of any public gathering.
  ➤ Always ask permission of the store manager or organizer of a meeting or event before you set up your site.
Grace Period & Election Day Registration

**Grace Period Voter Registration**

Anyone who is eligible (see who may register to vote) and missed the deadline for voter registration has 27 days from the close of registration to the day before Election Day to come to the County Clerk's office at 69 West Washington, Chicago or other specified locations to register and vote. Grace Period registration is also offered at all Early Voting sites.

➤ Call 312-603-0906 or visit www.cookcountyclerkl.gov for hours and locations.

**Important: Grace period registrants must vote immediately after registering.**

**Election Day Voter Registration**

Persons who are eligible to register to vote may do so on Election Day.

➤ Election Day Voter Registration will be offered in all precincts on Election Day.

⇒ Applicants must go to the precinct that serves their home address.

⇒ Applicants must bring two pieces of identification to their local precinct.

⇒ One must have their current address on it.

➤ You may refer people to the website for more detailed information: www.cookcountyclerkl.gov/elections/voterprofile
Mail-In “Motor Voter” Registration Application

Also included in your training packets are white NVRA (National Voter Registration Act) “Motor Voter” cards.

➤ These Mail-in cards may be a good supplemental tool for your organization.

➤ Give them to anyone who wishes to register to vote but does not have identification with them or does not have time to stop and register at that moment.

➤ However, keep these things in mind when distributing Mail-in cards:
  ➤ The voter receives no receipt.
  ➤ Although a receipt by itself is not proof of registration, voters who register by mail do not have any record that they applied to be a registered voter.
  ➤ Our office makes every attempt to verify the voter’s identity through a valid driver’s license or social security number.
  ➤ However, if we are unable to verify the voter’s identity, they must provide identification at the polls on Election Day.

➤ You and your organization will decide how to incorporate Mail-in registration forms into your effort.
