Dear Taxpayer,

We are aware that you have received a notice from the Cook County Treasurer's Office notifying you that your 2018 property taxes have been sold. It is our sincere desire to assist you in resolving this matter as quickly as possible, however, our office is responsible for conducting a 20-year tax audit to reconcile the final sale. It is pertinent that we conduct this research, so that we can present you with an accurate account of the delinquent taxes and allow you to redeem your taxes. This research takes approximately 4 to 6 weeks to complete. Therefore, we are unable to produce a redemption bill at this time. You may check for updates beginning January 31, 2022.

Please understand that we are **ONLY** able to produce bills for taxes that have not been offered and/or sold in the Annual Sale.

For updates and notifications regarding the redemption bills and their release, please stay informed via our website, [www.cookcountyclerk.com](http://www.cookcountyclerk.com) under Property Taxes/Tax Redemption or via our office at (312) 603-5645.

Thank you for your understanding.
